

WORD CLOUD

A game of Word Cloud can be played with the vocabulary for learning from any chapter.

GROUPS:

Divide the class into pairs.

MATERIALS REQUIRED:

- 1 One word cloud showing vocabulary.
- Two different colour highlighters. (1 for each student)

RULES OF PLAY:

- Divide the students into pairs.
- Hand each student a highlighter and each PAIR one of the word clouds.
- Students should sit on the floor with the word cloud between them and each should have one of the differently coloured highlighters.
- Teacher should read out a word in English.
- Students will try to be the first student to highlight the corresponding Latin word.
- The student with the most correctly highlighted words is the winner.

HANDY HINTS

After each student has had time to highlight the word, ask the class what the word should have been to ensure they highlighted the correct word.
